

Summer 2024 Punch Card class schedule: Weeks 1-4

Please note:

After week 1 is complete, the Week 5-7 schedule will be released. It will be very similar to weeks 1-4 but we like to see what classes are popular and how many kids are enrolled after week 1, and then we can adjust weeks 5-7 if needed.

Schedule is subject to change. Please note this schedule is up to date as of **July 8, 2024**. If you print it, please remember to always reference the version online closer to the start date.

Some class levels are combined for summer months only.

Classes with a * require pre-requisites. In order to enroll in that level, dancers must already be in that level or have received written notice from the studio (in your parent portal). Level advancements are input in your portal around May 15.
